March 25, 2020

Dear Union #28 Staff and Families,

As you may have heard, Governor Baker has extended Massachusetts school closure until May 4, 2020. Governor Baker announced new coronavirus measures at a news conference on Massachusetts' coronavirus response from the state house. At the same time, health officials announced that the state has 1,828 cases of the new coronavirus. He spoke after participating in a conference call with his new COVID-19 Advisory Group, which was announced Wednesday morning.

In light of the Governor's announcement, Commissioner Jeff Riley has invited all Massachusetts Superintendents to a conference call on Friday, March 27th at 8:30am. This will be followed by a meeting with the Union #28 Leadership Team.

I am sure we will have more information to follow and will share it as soon as we are able.

Thank you for your continued flexibility at this time.

Best,

Jennifer J Culkeen
Superintendent of Schools
